**New York, NY (Dec. 12, 2023)** – SECOR Asset Management has been recognized as one of the 2023 Best Places to Work in Money Management awards (Small Employer Category) announced by Pensions & Investments today.

Pensions & Investments’ 12<sup>th</sup> annual survey recognizes the best employers in the money management industry.

At SECOR, people are the most valuable asset, and they support fairness, compassion, representation and equality in all communities. SECOR is an intellectual capital business focused on delivering the best advice and solutions to clients. This is especially the case in investment advisory where trust and expertise are paramount. The founding partners realized early on that long-term success and competitiveness depend on talented, driven people and the ability to attract, motivate and retain individuals to create a culture that encourages teamwork, inclusion, respect, and open communication. This is at the heart of SECOR’s history and DNA.

“As their employees attest, the companies named to this year’s Best Places to Work list demonstrate a commitment to building and maintaining a strong workplace culture,” said P&I Executive Editor Julie Tatge. “Even as firms grappled with volatile markets and ongoing stresses from the pandemic, their employees said they felt strong support from their managers, enabling them to do their best work.”

“It is an honor to be recognized by Pensions & Investments for nurturing a strong company culture,” said Tony Kao, Managing Principal and Chief Investment Officer of SECOR. “This recognition is a reflection of our exceptional team members fostering a collaborative environment to bring passion and integrity in serving our clients every day.”

“Congratulations to the 2023 honorees for their commitment to employee well-being, attractive incentive structures and talent development that demonstrate how investing in your employees can elevate our industry to greater heights,” said P&I President and Publisher Nikki Pirrello.
